**CompHealth Group Acquires RN Network  
Transaction Creates Most Comprehensive and Balanced Service Offering in  
Healthcare Staffing Industry**

SALT LAKE CITY—CompHealth Group, the nation’s largest provider of physician and allied health staffing services, announced today it has acquired RN Network, Inc., one of the largest privately held travel nurse staffing companies in the United States. Terms of the transaction were not disclosed.

“We are thrilled to have RN Network and its proven management team to expand our service offering to include travel nurse staffing,” said Michael Weinholtz, president and CEO of CompHealth Group. “This combination gives CompHealth Group the most comprehensive and balanced service offering in the healthcare staffing industry. We are now better positioned to provide a total staffing solution to our clients.”

Based in Boca Raton, Florida, RN Network had more than \$100 million in 2003 revenue. Founded in mid-1998, the company has rapidly become a leading provider of travel nurse staffing to hospitals and healthcare systems nationwide. Dale West, president of RN Network, will continue to lead the company, which will operate as a division of CompHealth Group.

Ms. West commented, “RN Network is excited to join a healthcare staffing leader like CompHealth Group. Our successful formula will be enhanced by the ability to access additional resources and leverage CompHealth’s expansive client base and outstanding reputation.”

--more--

CompHealth Group currently employs more than 800 people in its seven U.S. locations while RN Network employs approximately 70 in its Florida office. CompHealth Group is the largest privately-held provider of travel healthcare staffing services with combined revenue of more than \$400 million. The company also provides healthcare permanent placement services.

**More About CompHealth Group...**

*CompHealth Group is one of the nation's largest healthcare staffing firms.
