

CHG Healthcare Services

FOR IMMEDIATE RELEASE  
February 8, 2007

**Foundation Medical Staffing Announces Feb. 16 Ribbon Cutting  
Edmond Co. has doubled staff since 2005. New building provides room for growth.**

OKLAHOMA CITY (February 8, 2007) – Foundation Medical Staffing, [a CHG Healthcare Services company](#), is pleased to host a Ribbon Cutting and Open House for its new business building in Edmond, Okla., on Friday, February 16, 2007. The dedication ceremony will be held at 2:30 p.m. at 416 W. 15th Street, Bldg. 700 (inside Signal Ridge Business Park), followed by a casual gathering with refreshments and building tours until 4 p.m.

Serving as Master of Ceremonies will be Don DeCamp, Chief Operating Officer at CHG Healthcare Services, the parent company of Foundation Medical Staffing. Joining him will be Mark Smith, president of [Foundation Medical Staffing](#), along with his entire staff and ambassadors from the Greater Oklahoma City Chamber of Commerce. This event is also open to the Edmond community and media.

With 5,800-square-feet of space built to the company's specifications, Foundation Medical Staffing's new home provides a more functional and aesthetic workspace for its current employees, as well as room for growth. The company currently employs 35 people and has been a part of the Edmond business community for six years.

Since its inception in 1999, Foundation Medical Staffing has rapidly become a leading provider of dialysis staffing services to outpatient and inpatient healthcare systems nationwide. It also provides staffing services to rehabilitation facilities across the U.S. The company has doubled its staff since 2005 and has plans to further increase its workforce by 35 percent this year.

"Our business has experienced rapid growth over the past several years and this new space will allow us to continue our expansion," commented Smith. "We believe this move will help us [attract quality employees](#) to facilitate our further growth, while improving our operational efficiencies for our existing staff."

**More About Foundation Medical Staffing...**
