CHG Healthcare Names Pat Kennedy as Weatherby Locums President

SALT LAKE CITY, Utah (May 1, 2007)—CHG Healthcare Services, one of the largest healthcare staffing firms in the United States, has announced the appointment of Pat Kennedy as president of its Weatherby Locums division.

Weatherby Locums is one of the largest providers of temporary physician staffing services in the United States. The company places temporary contract physicians (also known as “locum tenens”) in hospitals, physician practices, and healthcare facilities in all 50 states.

Ms. Kennedy is a proven leader with nearly 20 years of experience as a staffing industry executive. Before joining Weatherby Locums, she served as president of the travel nurse division of Supplemental Health Care. Prior to that she held various leadership positions at Brandon Systems and Spherion. She holds a Bachelor of Science degree from Northern Illinois University at DeKalb.

“We are delighted to have such an accomplished professional to lead the Weatherby Locums team,” commented Michael Weinholtz, president and CEO of CHG Healthcare. “Pat is a proven executive with the skills and experience needed to continue driving Weatherby’s outstanding growth to new levels.”

“I’m very excited about the opportunity to join one of the top healthcare staffing companies in the industry,” added Ms. Kennedy. “And I look forward to the challenge of leading one of its fastest-growing divisions.”
