Phillips Named President of CHG Nurse Staffing Division

Salt Lake City, Utah (February 7, 2005)— CompHealth Group (CHG) announced today the promotion of B. Franklin Phillips to president of its travel nurse staffing division RN Network.

“I’m very excited about the opportunities that lie ahead for RN Network,” said Phillips. “The fundamental growth drivers of the travel nurse industry remain strong. RN Network is very well positioned to capitalize on those trends and continue the outstanding growth that is has enjoyed since its inception in 1998.”

Phillips comes to RN Network with extensive experience in healthcare staffing. He has served most recently as president of another of CHG’s divisions, Weatherby Locums. Prior to founding Weatherby Locums in 1995, Phillips held management positions with healthcare staffing industry leaders CompHealth, also a CHG company, and Kron Medical. Before that, he spent 10 years in sales and operations in the consumer products industry. Phillips is a graduate of the University of North Carolina at Charlotte.

Phillips currently sits on the Board of Directors of the National Association of Locum Tenens Organizations (NALTO) and is chairman of its ethics committee. NALTO serves to educate the healthcare industry on the benefits of locum tenens staffing and to establish a set of service standards among locum tenens companies. Phillips is also a member of the National Association of Physician Recruiters (NAPR).

“Frank Phillips was the logical choice to lead RN Network—not only because of his past success within the CHG family of companies, but also because of his vast expertise in the healthcare staffing industry,” said Michael R. Weinholtz, CHG president and chief executive officer. “We are confident he will lead our travel nurse staffing division with the same passion and vision that he has exhibited throughout his 15 years in the healthcare staffing industry.

More About CompHealth Group...

Founded in 1979, CompHealth Group (CHG) is one of the nation's largest healthcare staffing firms. The company provides a comprehensive service offering that includes temporary and permanent placement of physicians, allied health professionals, and nurses to hospitals and healthcare organizations in all 50 states through trusted names including CompHealth, Weatherby Locums, Destination Healthcare Staffing, and RN Network. For more information, visit www.comphealthgroup.com.

More About RN Network...

Established in 1998, RN Network, a division of CompHealth Group, has become a leading provider of travel nurse staffing to the healthcare industry throughout the United States. For more information, visit www.rnnetwork.com.

More About NALTO...

The National Association of Locum Tenens Organizations (NALTO) is a professional association created to provide healthcare organizations with high standards of service and to represent the industry as a whole. The organization was created under the umbrella of the Alliance of Healthcare Staffing and Recruiting Associations (AHSRA), which also includes the National Association of Physician Recruiters (NAPR), and primarily serves to educate the healthcare industry on the benefits of locum tenens staffing and to establish a set of service standards among locum tenens companies. The association also provides a system for sharing resources among member organizations, offers a formal dispute resolution process through an arbitration committee, and aids all members in cultivating market growth. For more information, visit www.nalto.org.
