CompHealth Group Changes Corporate Name to CHG Healthcare Services

SALT LAKE CITY (December 7, 2005)—CompHealth Group, one of the largest providers of healthcare staffing services in the United States, announced today it has changed its corporate name to CHG Healthcare Services, Inc.

“Over the years, we have diversified and expanded our services to become the most comprehensive provider of healthcare staffing services in the industry,” said Michael Weinholtz, president and CEO of CHG Healthcare Services. “Our new corporate name is more reflective of the growing number of services we provide to our healthcare clients nationwide. It also eliminates any confusion between our corporate parent company, CHG Healthcare Services, and our largest operating brand, CompHealth.”

CHG Healthcare Services is the nation’s largest provider of temporary physician staffing (also known as “locum tenens”) and physician permanent placement services. The company is also a leading provider of staffing services for allied health professionals and nurses. The company currently employs over 1,000 people in its nine U.S. locations.
