CHG Named to Utah Business Fast 50 List

SALT LAKE CITY, Utah (August 27, 2009) – CHG Healthcare Services, one of the oldest and largest healthcare staffing firms in the U.S., received recognition at an awards luncheon today for securing a place among the Utah Business Fast 50.

The Utah Business Fast 50 honors the 50 fastest-growing companies in the state of Utah. CHG also placed seventh out of Utah's Top 10 revenue-earning companies that were recognized by Utah Business magazine.

“While the economy has proven difficult for many companies, we look at it as an opportunity to differentiate ourselves from the competition by helping clients through their tough times. We have been successful because of the financial strength, strong brands and expertise and most importantly the great people of the company,” said Michael Weinholtz, president and CEO of CHG.

The annual Fast 50 list is calculated based on five years of compound annual growth and revenue.
